

A close-up photograph of a very fluffy white kitten sitting on a light-colored carpet. The kitten has large, light blue eyes and its fur is extremely soft and voluminous. The background is slightly blurred, showing what appears to be a wooden chair or table leg.

Kittens!

By:

Grace Jumonville

Introduction

I am doing this presentation because of my wonderful mother's advice!!!!!!!!!!!!!!!!!!!!

And because Tatum's friend has 4 or 5 more kittens left!!!!!!

So just sit back relax and enjoy!

Problems

As much as I know there really is not any problems.

And Mr. Johnson and the Balliets both know how to introduce a cat to a dog!

As for other problems our neighbors have cats and kittens!

\$Expenses\$

As for expenses lets look that over.

- Cat 0\$
- Since we have some of the supplies Tatum guessed about 40\$,50\$, or 60\$
- For expenses that's about it!

Reasons!

Here are some reasons!

- I will pay for what the kitten needs such as food, toys, scratching pole, etc.
- I will take total responsibility and give the same responsibility and love to Patches and olly
- I will never complain in helping cat or dogs and if I do I will accept the consequences

Reasons continued

- I will do anything (even if it does not concern the pets) you want me to!
- And I will be more than happy to make sure you are very happy and I will try not to cause you stress more than ever!
- If I have to take to extreme measures I will put off leasing for a couple years!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

If you do not accept

If you do not accept I will try and keep my spirits up I really will.

Although there is no way to stop me from being sad please don't let me being sad dampen your spirits!

Because if you do I will never forgive myself!
